Dear Conference Participants:

I'd like to take this opportunity to say THANK YOU for attending this special event. On behalf of The School District of Lee County, I am proud to share that we have a very proactive Exceptional Student Education Advisory Committee who meet regularly with Dr. Carl Brunick, Executive Director of Exceptional Student Education and Student Services, and me.

Today's conference is sponsored by our ESE Advisory Committee. The presenters and the workshop topics were selected by the Advisory Committee members based on their knowledge and experience of what types of information would be beneficial for families, educators and community stakeholders.

We want to encourage you to complete the evaluations provided in your folders. Your feedback is instrumental in meeting the needs of all students in our District. We sincerely hope that you enjoys today's experience; learn a lot, network with others, and recognize that when we ALL work together, we improve outcomes for our children.

Sincerely,

James W. Browder, Ed.D.  
Superintendent
